Hi, Paula.

I just fell into a wealth of videos posted on YouTube by the Mountain Studies Institute:  
<http://www.youtube.com/user/MountainstudiesCO/videos>. A lot of them look as though they are presentations from a conference held about the San Juan Mountains and mining about a year ago. The cast of characters includes:

Citizen Name/Ex. 6

**Citizen Name/Ex. 6**

I think these might be really helpful in getting better background information about where this community has been.
